

新年快乐

Best wishes for a
Happy and Prosperous
NEW YEAR

From all at Kilburn & Strode LLP

Dragons are one of the symbols of the City of London and dragon statues, such as the ones shown herein, stand at each of the City's entrances to protect the City. Each dragon holds a white shield bearing the red cross of Saint George the patron saint of England. The dragon shown on the left stands on Holborn and is very close to our London Offices.
